

CAMELOT CENTRE SUMMER CAMP 2022

July 4– August 19, 2022

Camelot Centre is an award winning day program for adults with a developmental disability. Our regular year-round program is offered to those individuals who are over the age of 21. The summer program offers those still in their final years of high school, or just in need of a change for the summer, an opportunity to experience a creative day program and meet new friends.

Our summer program offers outdoor fun, swimming at Nelson Pool (weather and Covid restrictions permitting), community outings, daily physical recreation in a small group, as well as music, art and drama therapy, all in a safe, controlled, fully insured environment with professional staff at a 4:1 ratio.

At the time of writing this flyer, Covid-19 protocols are in effect, therefore face masks and double vaccinations will be mandatory for all participants. Medical exemptions for wearing a face mask will be considered on a case by case basis.

We are opening up our summer registration to those 18 years or older with a developmental disability.

Individuals with a developmental disability with a moderate to high level of independence.

Successfully complete an application process, which includes an interview at Camelot Centre.
Application forms:
